*I can share the gospel!*

What If I Fail?

Do you remember a time you failed? What did that teach you?

How does a proper understanding of the purpose of evangelism give perspective for apparent failure in sharing the gospel?

*SUCCESS is not in the results! My job is to sow seeds, and let God give the increase! (1 Corinthians 3:6)*

*What if I lose the argument?*

*It's not my job to argue, but to come alongside and share truth.*

*What if I lose the relationship?*

*I want to build bridges for the gospel, but even Jesus says that the truth will bring division.*

*What if I look crazy (foolish)?*

- 1. Even Jesus' family thought he was crazy. (Mark 3:21)*
- 2. God uses the foolish to shame the wise (1 Corinthians 1:27)*
- 3. I ought not be ashamed of the gospel! (Romans 1:16)*

*What if I hinder their faith?*

*I want to build (not burn) bridges, but I can't do that by staying silent! I must share the only way of salvation! (Acts 4:12)*
