### LESSON 27 EXODUS 15:22-16:1

Ex 15:22 begins the trek of the Israelites from the Red Sea toward the mountain of God. This will also be the beginning of a series of struggles in the wilderness.

1. In v22, how long did Israel travel and what was the problem?
  
2. In v23, where did they go and what was the problem when they found water?
  
3. What was Israel's reaction in v24 and why was this both normal and stunning?
  
4. What was Moses' response and Jehovah's answer in v25a? Was this a natural solution or a miracle?
  
5. In v25b, what is the statute and ordinance?
  - How did God put them to the test?
  
  - How does v26 relate to 25b?
  
  - What is the nature, extent and limitation of the promise in v26? Is this promise for today?
