

EXODUS BIBLE STUDY AND GUIDE

LESSON 3 EXODUS 2:1-10

1. From what tribe is Moses? This will be significant later. What does v1 tell us about marriage in Israel?
2. From v2, where does it appear that Moses fits into his family?
 - Who were Moses siblings? Num 26:59
 - Who was probably the oldest sibling? Ex 2:7
 - What was the difference in Age between Moses and Aaron? Ex 7:7
3. Concerning v2, how do Acts 7:20 and Heb 11:23 differ yet complement each other?
 - Acts 7:20
 - Heb 11:23
4. How do all of the above verses (#3) speak to the mindset of the mother in vv3-7?
 - V3
 - Vv4,7
5. What do vv6-10 say concerning:
 - Pharaoh's daughter?
 - Human nature as exhibited by Pharaoh's daughter?
 - Perhaps along with Ex 1;18, 22, the obedience to Pharaoh's order?
 - The irony of Pharaoh's fear to Pharaoh's daughter's action and what will yet occur?

EXODUS BIBLE STUDY AND GUIDE

6. We do not have a strict timeline, but are the events that occur, before Moses 40th year, in vv9-10 and Acts 7:21-22?

CONCLUSIONS

7. As you look at Moses' parents, does faith always look the way that you expect it?
8. How does the use of biblical irony help us to understand the character and/or working of God, if at all? Can you think of other instances of biblical irony?
9. This may be obvious, but are all unbelievers totally depraved? What if anything, does this passage help us to see about God's sovereignty and the character of men (Pharaoh's daughter in this instance)?
10. Some men have said that Miriam was not Moses' sister, but just a kinsman? How have you seen today the unity of the Torah?
