

EXODUS BIBLE STUDY AND GUIDE

LESSON 6 EXODUS 3:11-24

1. Moses begins to raise a number of objections or obstacles to God's assertion and assignment.
 - What are the first two in vv11,13?

 - How do these relate back to Ex 2:11-15?

2. How does God address Moses' first obstacle in v12 in two ways?

3. In what two ways does God identify Himself in vv14,15 to answer the second obstacle?
 - How are the two related?

 - How does He further set this identification apart?

 - How does Jesus use this second identification to justify the resurrection in Mk 12:18-27?

4. In vv16-22, God gives Moses his marching orders with a short synopsis of how things will go.
 - What is the command?

 - What are the assurances to give?

 - What will be their response?

EXODUS BIBLE STUDY AND GUIDE

- What is Moses to direct them to do?
- What will Pharaoh's response be?
- What will God do?
- What will Pharaoh do?
- What will God do?
- What will the Egyptians do?
- What will God's people do?

CONCLUSIONS

5. What were the general objections or obstacles as to why God could not use Moses? Are these obstacles in the lives of Christians today? What is helpful in understanding Moses' obstacles?
6. How difficult is it to overcome these objections or obstacles?
7. What are the promises or assurances that God gives that can help one be a useful servant?
8. What are some New Testament examples of things that we shouldn't be surprised by in seeking to serve God?
