

EXODUS BIBLE STUDY AND GUIDE

LESSON 43 EXODUS 26:1-37

In Exodus 24, the covenant is sealed and God's acceptance of the people confirmed. Moses is then called back to the summit to receive the tablets as a memorial and other laws and commandments.

Chapters 25-31 detail the pattern of the tabernacle sanctuary (and its servants) which will symbolize, represent and house the presence of God among His people.

1. In vv1-14, how many layers of covering are there?

- What are the materials used for each layer?
- What are some of the elements of design and the dimensions for each layer?

2. In vv15-30, describe the general frame of the tabernacle.

- What are the individual elements of the frame?
- How do the pieces fit?

EXODUS BIBLE STUDY AND GUIDE

3. We may have difficulty visualizing the exact structure, but what would help the Israelites from v30?

4. In vv31-37, describe the similarities and/or differences of the two veils:
 - Design

 - Purpose

 - Hanging/support

5. What are some verses in which the inner veil referenced in the new testament, which have figurative and practical implications for us?
