

EXODUS BIBLE STUDY AND GUIDE

LESSON 59 EXODUS 39:1-43

This passage picks up the making of the priestly garments in vv1-31. This matches with Exodus 28.

Vv32-43 summarize the entire work of the tabernacle and garments.

1. What are any notable (to you) differences or additions that you see in 39:1-31 compared to chapter 28?

- What are the two most repeated phrases in this section? How does one of the phrases help to divide the passage?

2. What does v32 represent?

3. How do vv33-41 build upon v32?

- What is added back in that was missing from chapter 36?

4. In accord with the rest of the chapter, what do vv42-43 emphasize?

- What does v43a represent?

- What is the result in v43b?

EXODUS BIBLE STUDY AND GUIDE

5. Christians are not commanded to build any physical structures in the manner of the tabernacle. However, we are to 'build' the church (For example, see 1Peter 2:4-10.). What are any lessons or applications that you might take from this section of Exodus, even if repeated in an earlier lesson?
